Welcome to Bayfield County!

Bayfield County is located at the top of Wisconsin – but this is not your typical Northwoods getaway. This is the **Home of Wisconsin’s National Treasures** including the Apostle Islands National Lakeshore (more on p. 6). Escape from the world for a while – hit the trails, go fishing or boating, head to the beach...also enjoy fine dining, theater, galleries, lectures, music and world-class events.

From the rugged sandstone cliffs framing Lake Superior’s majestic glacial waters to the deep recesses of forest trails and inland lakes, from local art galleries to orchards and berry farms that hug rolling hills, you’ll find those secret, special places that will provide a lifetime of memories.

Our respect for the pristine natural resources that surround us translates to an outward commitment to sustainability that is evident in the many Travel Green WI certified businesses located here (more on p. 15). The welcome you’ll find is genuine, and the opportunities for heart-pumping adventure or tranquil relaxation are unlimited.

Once you’ve been here, we know we’ll have the pleasure of seeing you again. This is Wisconsin’s Crown Jewel...a destination you’ll never forget. Enjoy!

Our National Treasures

Bayfield County is home to seven nationally-designated areas – more than any other place in the state of Wisconsin. These areas have been preserved for the enjoyment of all because of their incredibly unique and special natural history and ecological diversity.

1 APOSTLE ISLANDS NATIONAL LAKESHORE

www.nps.gov/apis • (715) 779-3397

Apostle Islands National Lakeshore is comprised of **21 islands** and **12 miles of mainland shoreline**. Dotting Lake Superior just off of the Bayfield County shoreline, the ‘Apostles’ have been formed by and are subject to the majesty and fury of the big lake. Sandstone **sea caves** formed by centuries of freezing, thawing and wave action are a favorite travel destination in summer and winter. Kayakers in the summer, and walkers, snowshoers and cross country skiers in the winter, discover the ever changing, cathedral-like formations.

The Islands can be accessed in a variety of ways...a guided cruise, an island shuttle, sailing or power boating, kayaking, or private boat charters. Madeline Island, the largest of the Apostle Islands and the only island with commercial development and a year-round population, is not a part of the National Park property, but can be accessed by ferry most of the year and via an ice road in winter.

2 CHEQUAMEGON-NICOLET NATIONAL FOREST

www.fs.fed.us/r9/cnnf • (715) 373-2667

The Chequamegon-Nicolet National Forest covers **268,700 acres** of forests, streams, inland lakes and wilderness areas in Bayfield County. With over **600 lakes** dotting the landscape on the Forest, many excellent opportunities exist to provide the angler with abundant and trophy-sized fish! Many lakes have either drive-in or walk-in boat launches.

For scenery, **Moquah Barrens** is a must! This 8,700-acre area is an open pine barrens, and is an excellent place for bird-watching. Auto Tour guides are available. In winter, the **Mt. Valhalla Recreation Area**, nine miles west of Washburn on County Highway C, is a popular winter sports area with snowmobile trails, ski and snowshoe trails, a sledding hill and a chalet. In the summer, Valhalla is a hub for ATV users. The **Rainbow Lake Wilderness** features 6,583 acres northwest of Drummond with several clear-water lakes and a portion of the **North Country National Scenic Trail**. Mountain bikers will find an abundance of trails maintained by the Chequamegon Area Mountain Bike Association (CAMBA).

3 FROG BAY TRIBAL NATIONAL PARK

(715) 779-3700

The first ever Tribal National Park is now open to the public. This pristine 88.6 acre property encompasses nearly a quarter mile of sandy and pebble beach and offers views of 5 of the Apostle Islands in the Gaylord Nelson Wilderness Area. The Red Cliff Band of Lake Superior Chippewa has opened the site for public use and education on sustainable resource management, use of medicinal plants, nature based educational activities, for traditional/spiritual ceremony and to further the understanding that all land is sacred. In order to ensure the long term protection of the site, the Bayfield Regional Conservancy will hold a Conservation Easement on the property that will permanently restrict the property from uses that are incompatible with the protection of its conservation values.

4 ST. CROIX NATIONAL SCENIC RIVERWAY

Namakagon River Visitor Center: www.nps.gov/sacn • (715) 635-8346

Clean water, lush landscapes, quiet solitude, a multitude of **wildlife**, and **great fishing** await you as you paddle along the federally-protected Namakagon River. The Namakagon River is part of the St. Croix National Scenic Riverway, a unit of your **National Park System**. Put in at one of the many landings along the river for a short paddle or a long trip, and check out the numerous campsites located along the entire river. Call the Visitor Center (above) or check the website for updated river levels and maps.

5 IRON RIVER NATIONAL FISH HATCHERY

www.fws.gov/midwest/ironriver • (715) 372-8510

The Iron River National Fish Hatchery is situated on **1,200 acres** of the picturesque headwaters of Schacte Creek with several miles of maintained trails for public use including **bird-watching, hiking, hunting, snowshoeing and skiing**. Two million trout are produced annually for distribution in Lakes Superior, Michigan and Huron. The hatchery holds an open house in late summer and volunteer opportunities abound during fall spawning. **Self-guided tours** are available 365 days a year, and **staff-guided tours** can be arranged.

6 NORTH COUNTRY NATIONAL SCENIC TRAIL

www.northcountrytrail.org

Bayfield County hosts **one of the longest completed segments** of the North Country National Scenic Trail. The trail begins on the eastern edge of the Chequamegon-Nicolet National Forest and allows the hiker to explore the **gently rolling terrain**. It passes through two Wilderness Areas with opportunities to fish in **numerous small lakes and streams**. While the trail is often remote and offers some challenges, it is a moderately easy trail due to no large elevation changes. Detailed maps of the trail can be obtained from the website.

7 WHITTLESEY CREEK NATIONAL WILDLIFE REFUGE

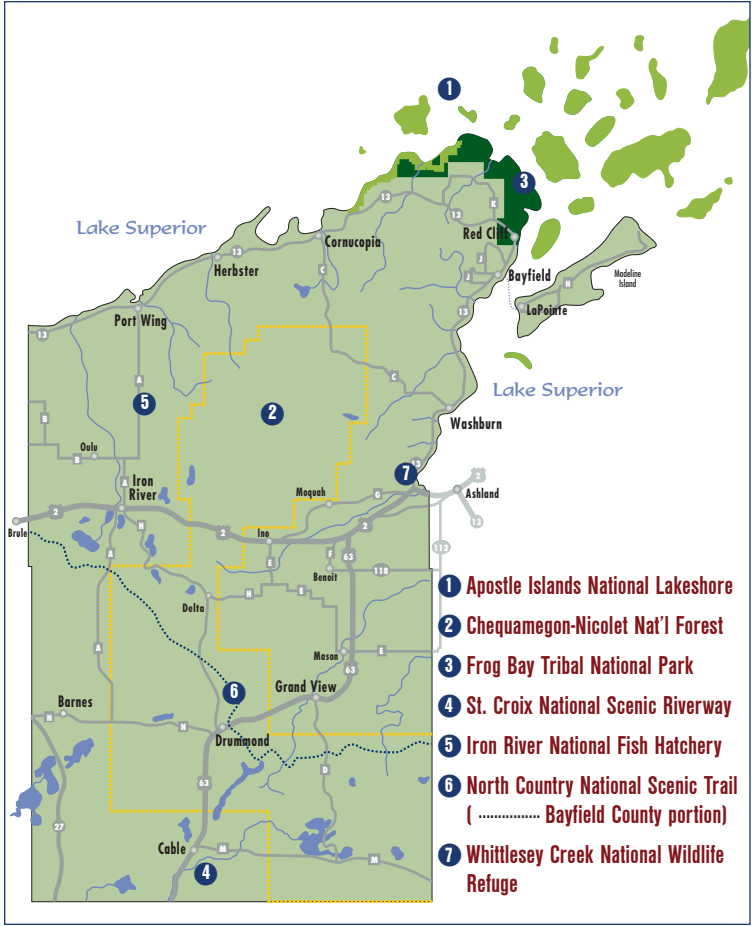

www.fws.gov/midwest/whittleseycreek • (715) 685-9983

(headquarters at the Northern Great Lakes Visitor Center)

Bayfield County's newest addition to its list of national treasures is the Whittlesey Creek National Wildlife Refuge, located just north of the Northern Great Lakes Visitor Center near the intersection of State Hwy. 13 and US Hwy. 2. Established in 1999, this refuge area is still in creation and will ultimately encompass up to 1,260 acres. These coastal wetlands are home to the Coaster Brook Trout, and the restoration of this species is a goal. The area is also home to a wide variety of **wildlife** and is an important site for **migratory birds**.

On the Water

The mesmerizing effect of water flows through the land from the greatest of the Great Lakes and beyond. You'll find yourself drawn to the water, wishing you could stay a little longer.

LAKE SUPERIOR

One billion years in the making, Lake Superior's majesty, tranquility and fury are all on display in Bayfield County. Lake Superior is the largest freshwater lake in the world by surface area, and the third largest by volume. The lake holds three *quadrillion* gallons of fresh water. On the big lake, you'll find world-class sailing opportunities, thrilling sport fishing, power boating, kayaking, scenic cruises, full-service marinas, and more lighthouses than any other place in America. Lake Superior's shoreline is surmounted by massive sandstone cliffs formed by millennia of wave action, ice and wind. But there are also calm, sandy beaches that invite swimming (it's refreshing!) and leisurely beachcombing. Lake Superior and surrounding wetlands offer rare migratory shorebird viewing opportunities including a variety of rare and even endangered bobolink and piping plover. It's a birder's paradise!

SHIPWRECKS

Kayak or boat to one of seven nineteenth-century shipwrecks, all listed on the National Register of Historic Places, near the Apostle Islands and the mainland. Pick a calm day, when the crystal clear, shallow water makes surface viewing possible. Do you scuba dive? The University of Wisconsin Sea Grant Institute and the Wisconsin Historical Society (www.wisconsinshipwrecks.org) offer interpretive tours of the wrecks on durable, waterproof slates. Site maps, schematics, diving information, vessel data, and histories provide all the information to make this diving experience one you'll never forget.

WATER TRAIL – CAVES / CLIFFS

The Bayfield Peninsula/Apostle Islands section of the Lake Superior Water Trail invites sea kayakers to explore the rugged coastline between the City of Washburn and the Village of Port Wing. This 92-mile section passes by spectacular sea caves, small villages, sandstone cliffs and beaches, and is part of a larger effort to create a water trail that circumnavigates all of Lake Superior.

INLAND LAKES

Bayfield County has 962 inland lakes, with public access to 398 of them. Some of the best fishing in the state is at your fingertips. The “big one” lives here! Come swim, water ski, boat, paddle...or drill into the ice! Ice fishing makes winter fun – the fish don't go south for the winter!

RIVERS / STREAMS

You'll find over 400 miles of rivers and streams, from meandering waters to bouncing rapids. Some of the finest fly fishing in the state is right here, with feisty trout ready to put up a fight. Streams and rivers also offer premier wildlife viewing opportunities, so bring along your binoculars or camera.

WATERFALLS / ARTESIAN WELLS

Four identified waterfalls are located throughout the county. Public access is available at Houghton, Lost Creek, Orienta, and Siskiwit. In addition, numerous artesian wells serve up refreshing glacial waters. The largest and most accessible artesian well is at Thompson's West End Park in the City of Washburn. The 119-foot-deep artesian well, drilled in 1903, produces 224 gallons per minute of pure cold water every day of the year.

BEACHES

No matter what the season, gorgeous views await along the sand beaches on the southern shore of Lake Superior and the Chequamegon Bay. A few of our favorites are on the map (opposite page).

ISLANDS

The Apostle Islands Cruises provide narrated cruises and lighthouse tours throughout the Apostle Islands National Lakeshore. Apostle Islands Cruises, located in Bayfield, also provides camper shuttles and island access for private groups.

www.apostleisland.com • (715) 779-3925

The Madeline Island Ferry Line makes several trips a day to Madeline, the largest of the Apostle Islands. Walk, bike or drive aboard for a scenic 20-minute ride from Bayfield.

www.madferry.com • (715) 747-2051

For sailboat rides and boat charters, contact area chambers of commerce for detailed business listings (pages 20-46).

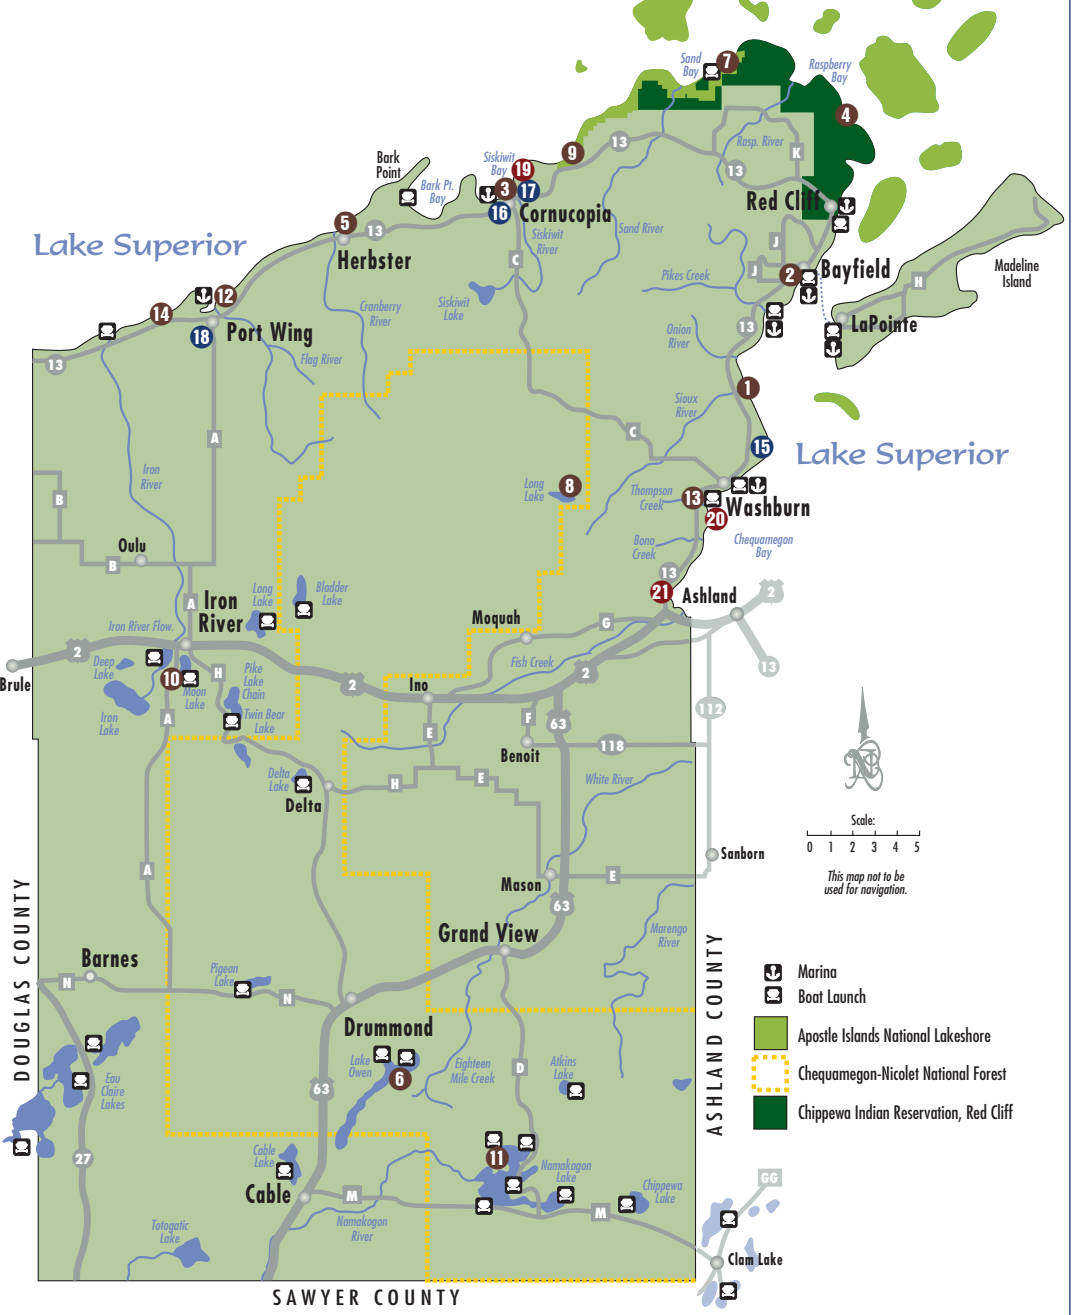

MAINLAND SEA CAVES

Gigantic sandstone caves by summer are transformed into sparkling, magnificent ice formations in winter. Visitors to the caves should call for updated ice conditions before venturing out. The mainland caves can be accessed from Meyers Beach, east of Cornucopia.

Trails

The extensive system of trails in Bayfield County – both motorized and non-motorized – make it one of the premier destinations in the Midwest. Every season offers opportunities to get outside and experience nature’s beauty!

HIKING, BIKING, EQUESTRIAN

Starting with the first sprigs of spring foliage, through the long, lazy days of summer, and into the burst of fall colors that are among the best you’ve ever seen, there are trails for every “silent sport” that you can imagine. The Chequamegon Area Mountain Bike Association (CAMBA) has cleared and clearly marked over 200 miles of mountain bike trails through the Chequamegon-Nicolet National Forest. For road biking, there are 850 miles of paved roads with nice scenery and low traffic – not one stoplight! Horseback riding is also available in many places throughout the Forest. The Horseshoe Lake Saddle Trail has an equestrian-friendly campground at Horseshoe Lake. Hiking opportunities abound! Miles and miles of federal, state, county, and local hiking trails lead you through natural beauty that will renew your spirit and refresh your senses (see map on opposite page).

ATVS, MOTORCYCLES AND AUTO TOURS

Scenic overlooks throughout the county give panoramic views of the Lake Superior shoreline, the Apostle Islands, rolling hills, forests and hidden inland lakes. Exploring the back roads and 180 miles of ATV trails opens up a whole other dimension of picturesque beauty. Get “Back on the Bike” and travel the suggested motorcycle routes. Learn a bit of history on the Moquah Barrens Auto Tour; two different, clearly posted routes – one on gravel/sand roads and one on pavement – cross the unusual topography created by receding glaciers.

SKIING, SNOWSHOEING AND DOG SLEDDING

Winter is a world-class event in Bayfield County! This is your winter headquarters for non-motorized fun and excitement. Over 200 km of cross country ski trails, combined with top-notch dining and lodging, make this a most desirable winter getaway. After all, this is the home of the American Birkebeiner which is the only sanctioned cross country ski marathon in the United States. Nearly 10,000 skiers from all over the world converge on the Town of Cable in February for this international event. Let’s not forget downhill skiing, snowboarding and tubing which are available at Mt. Ashwabay near Bayfield. Snowshoeing and dog sledding are also popular winter sports activities in Bayfield County. You can try out snowshoes for free at the Northern Great Lakes Visitor Center or bring your own to explore the rest of the county. Go on a dogsled adventure with a local guide or bring your team for the popular Apostle Islands Sled Dog Race.

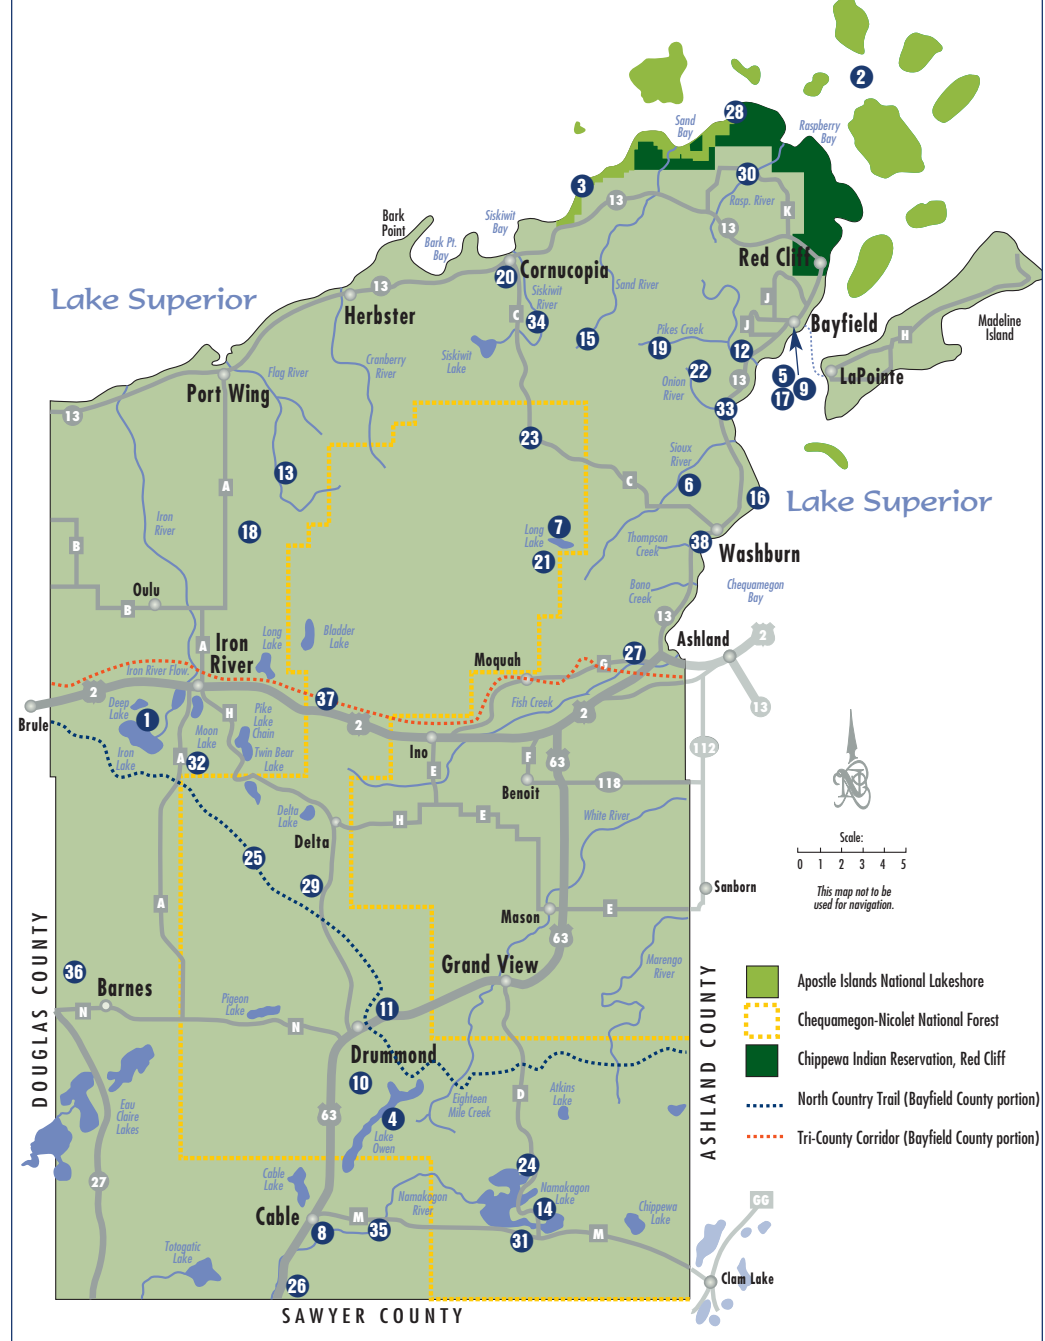

SNOWMOBILING

With over 600 miles of groomed snowmobile trails and over 1,000 miles of unplowed forest roads, Bayfield County is sometimes referred to as the “Yellowstone of the Midwest.” The Bayfield County Snowmobile Alliance has nine groomers that keep the trails in top-notch condition. Access to some of the most beautiful winter landscapes in the state is easy. Want a thrill? Cross the 583-foot-long Eighteen Mile Creek bridge, with a span that’s 75 feet above the stream!

NEW - SCENIC BYWAY DESIGNATION!

Wisconsin’s Lake Superior Byway follows the southern shoreline of Lake Superior along the Bayfield peninsula and is a snapshot of the geological, historical, cultural, ecological and recreational diversity of the region. This 70-mile stretch features breathtaking scenic views of forests, pristine sandy beaches, and the sparkling blue waters of Lake Superior and the Apostle Islands National Lakeshore and Wilderness Area. The Byway is a unique route featuring quaint harbor towns, historic fishing villages and small farms.

Visual & Performing Arts

It's easy to understand why Bayfield County is a place where artists in all mediums choose to live and work. The unsurpassed natural beauty, combined with a pace of life that promotes a real sense of community, nourish the creative mind and soul. Here you'll find numerous galleries and shops filled with a wide variety of artwork.

BIG TOP CHAUTAUQUA

In summer, a bright blue and white-striped canvas tent houses Big Top Chautauqua, the “Carnegie Hall of Tent Shows.” The Big Top presents approximately 50 shows from June to September. National and local performers present concerts, plays and original musicals that entertain young and old alike on the slope of beautiful Mt. Ashwabay. Tent Show Radio can be heard all year long on listener-supported radio stations across the country and via webcast. **(715) 373-5552 • www.bigtop.org**

STAGENORTH

This beautiful theater on the shore of Lake Superior in Washburn is a hub of activity all year long with locally-produced plays, concerts, lectures and dance performances. Home to the Big Water Film Festival each November, this is fast becoming a cultural “hot spot.” Live music at the bar and outdoor patio. **(715) 373-1194 • www.stagenorth.com**

Art Events See pages 47-49 for complete event listings!

JAN-DEC Washburn: STAGENORTH Productions (see above)
www.stagenorth.com (715) 373-1194

JUNE 21-SEPT 7 Bayfield: Big Top Chautauqua Performances (see above)
www.bigtop.org (800) 244-8368

JUNE 22 Bayfield: Austin Miller Studio & Friends Exhibit Opening
www.austinmillerstudio.com (715) 779-5336

JULY 5-7 Annual Red Cliff Traditional Pow-Wow
www.redcliff-nsn.gov (715) 779-3700
1st weekend in July, Red Cliff hosts an annual Pow Wow, overlooking the Lake, with traditional dancing, spiritual advising, contests & more.

JULY 19-20 Bayfield: Raku Rave Event - Family Friendly!
www.eckelspotterybayfield.com (715) 779-5617
Curious about firing a pot to 1650 degrees, tossing it in sawdust to smolder then thrusting it in water to cool? It sounds crazy, but that's the way we do it! Pick your pot, glaze it, & we'll fire it up for you.

JULY 20-21 Bayfield Festival of Arts & Gallery Tour
www.bayfield.org (800) 447-4094
Over 90 artists from 9 states will gather for one of Wisconsin's largest art shows held on the shore of Lake Superior in downtown Bayfield. Bayfield artists open their studios and galleries to visitors with open houses, demonstrations and special sales during the Gallery Tour.

AUG 1-4 Port Wing Plein Air Painting Festival
www.portwingwi.com/ (715) 774-3334
During the 4th year of this popular event, amateur & professional artists will paint outdoor scenes around Port Wing. Visitors can watch the artists at work, ask questions, purchase art, or just enjoy the process. Exhibit Sat. and Sun. Prizes.

AUG 17-18 Herbster Studio Art Tour
<http://herbsterstudioarttour.com/> (715) 774-3223
Celebrating the Arts on Superior's South Shore. Area artists open their studios, showcasing a wide diversity of artistic talent & media.

AUG 31-SEPT 1 Drummond: Blue Moon Art Tour
www.cable4fun.com (800) 533-7454
Visit artists' studios along Blue Moon Road in the beautiful Cable/Drummond region; Dragonfly Studio, S. Qualey Studio, Once in a Blue Moon Studio, Blue Moon Pottery.

SEPT 14 Cornucopia Art Crawl
www.cornucopiawisconsin.net (715) 742-3388
Artists display their work at businesses in Cornucopia. Meet the artists, purchase local artwork and indulge in the brat and fish fry at the Village Inn's Tiki Bar.

SEPT 21-22 Washburn/Bayfield/LaPointe: Superior South Shore Pottery Tour www.superiortour.org

www.ouluglass.com (888) 685-8969
Demonstrations and open house at the Oulu Studio.

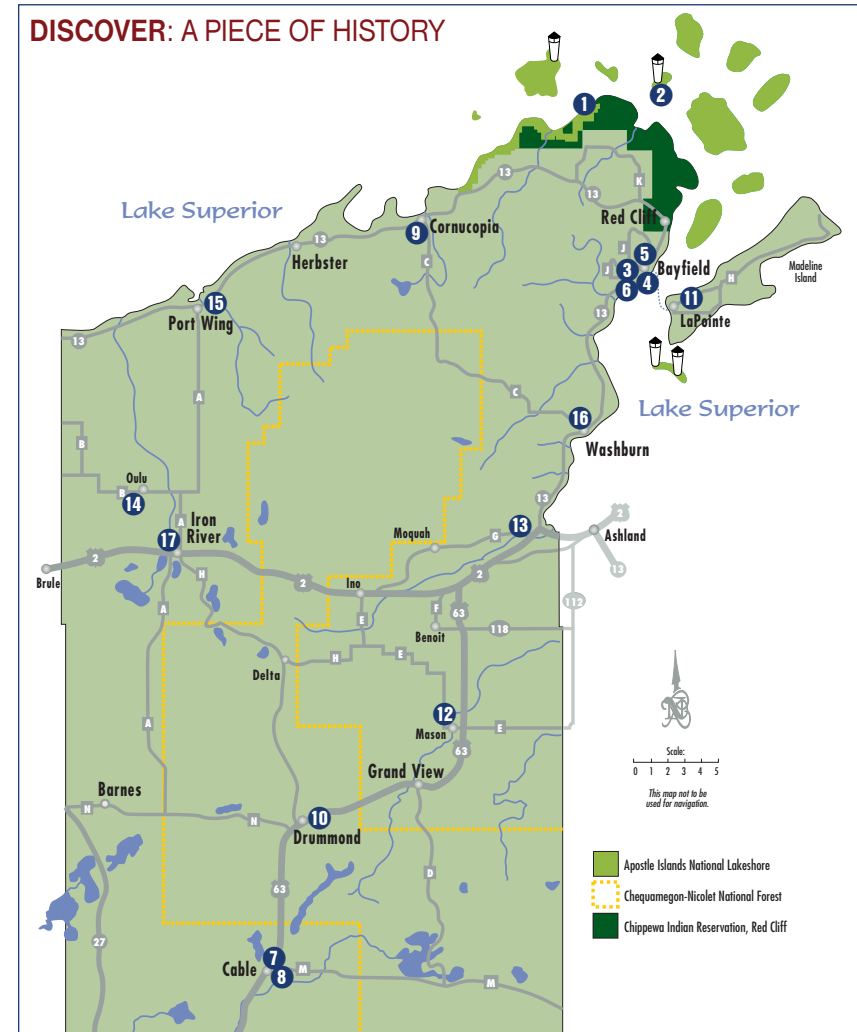

NOV-DEC (call for specific dates) Bayfield: Wassail Concerts
www.rittenhouseinn.com (888) 611-4667
Experience a magical evening celebrating the spirit of the season, complete with a choir of carolers and a festive holiday meal, at our Wassail Dinner Concerts. A tradition for over 30 years, it brings holiday spirit to all who attend.

DEC 7 Bayfield: Holiday Spirit Gallery Tour
www.bayfield.org (800) 447-4094
See Bayfield's most prolific artists' variety of work on display for the holidays. Some open houses include refreshments and demonstrations.

Historical Attractions

The rich history of the area is on display throughout the county. From the geological formation of Lake Superior to the first Native American settlements, through the discovery by French missionaries and fur traders to the lumbering, mining and fishing industries, you'll find a piece of history almost anywhere you look!

There are 23 sites in Bayfield County that are listed on the National Register of Historic Places in America (www.nationalregisterofhistoricplaces.com/WI/Bayfield/state.html), including seven shipwrecks. Numerous local museums and historical societies serve as stewards to the natural, cultural and architectural history that is a permanent part of the ebb and flow of life. Come see, learn and experience the past through your own eyes.

Dining

From gourmet dining spots that have received rave national reviews to quaint diners that serve local favorites – try the whitefish livers...really – Bayfield County restaurants are ready to satisfy your every gastronomic craving. Many restaurants proudly serve menu items made from local ingredients. Fresh Lake Superior fish, crisp vegetables and flavorful herbs, world famous Wisconsin cheeses, and mouth-watering desserts made with fresh apples and berries will satisfy every appetite!

Lodging

Looking for a place to stay? Whether you're looking for a jacuzzi suite or "just a place to sleep," you'll find it here. Our communities offer all kinds of lodging options – lakefront cabins, family resorts, hotels, motels, campgrounds, bed & breakfasts and inns – we've got the perfect place for your getaway. First, decide what area you'll use as your "home base." Then get in touch with that area's Chamber of Commerce or Business Association for your lodging options. It's always helpful to visit their website to see what's available.

Shopping

First, let's talk about what Bayfield County doesn't have. There are no shopping malls, no crowded parking lots... there aren't even any stoplights – not one.

What you will find are locally-owned shops, galleries, boutiques and small town stores where the emphasis is on high quality and low pressure. The friendly communities throughout the area invite you to come and explore their quaint downtowns, where everything is within easy walking distance. Or venture into the countryside to artist studios or orchard stores. You'll find unique items that you won't find anyplace else. But even more than that, your shopping experience will take on the characteristics of our area; warm, genuine, approachable, and unique. We don't think you'll miss the mall.

For more details on Dining, Lodging and Shopping locations, see Travel Green listings on opposite page and the community sections on pages 20-46, or visit these websites:

Travel Green Wisconsin

Here at the top of Wisconsin, we depend on our abundant natural resources not only for recreation, but for our very existence. Because of this close relationship with the environment, it is not surprising that we are the home of the Nation's First Eco-Municipality: Washburn, Wisconsin. The neighboring cities of Bayfield and Ashland were close followers with this title, which means that the municipal governments have pledged to consider environmental effects as part of their normal decision making process.

SOME OTHER INTERESTING FACTS:

- Bayfield County is one of Wisconsin's first Energy Independent communities to take the "25 by 25" pledge to use renewable energy for 25% of its total energy use by 2025
- Bayfield County has more Travel Green WI certified businesses than any other place in the state
- The Bayfield community was the first recipient of the Governor's Sustainability Award in 2011

The following is a list of area businesses that are Travel Green WI certified (see inset for details). Make sure to say "thanks" the next time you stop in!

WHAT IS IT?

A certification program through the Wisconsin Department of Tourism recognizes businesses that make an effort to reduce their impact on the environment.

WHY DOES IT MATTER?

Wisconsin has an abundance of natural resources. We want to take care of our environment for our own enjoyment and for future generations.

HOW CAN I SUPPORT THIS PROGRAM?

Patronize businesses that display the "Travel Green WI" logo.

Fishing & Hunting

FISHING

Bayfield County is one of the most scenic fishing destinations in the country. Fishing the Big Lake is certainly a draw, but many anglers are surprised and happy to realize that within a half hour drive of Superior's shores, there is some of the finest inland lake fishing Northern Wisconsin has to offer on lakes like Namekagon, Owen, The Pike Chain, Eau Claire Chain, and many smaller waters. Fly anglers can fish any of the Big Lake's tributaries, including the world famous Brule, or try an inland trout stream such as the White or Namekagon rivers.

Bayfield County is the perfect place to come for an abundance of fishing opportunities throughout the year:

WINTER Early ice on Lake Superior offers great shallow-water fishing for a multitude of species. By late January, deepwater "bobbing" for Lake Trout out in the Apostle Islands begins.

SPRING Peak opportunities for spring fishing are in May. Inland fishing also heats up with the spawning seasons and relatively easy fishing close to shore.

SUMMER Summertime is Lake Trout time on Superior. Trollers head out into the Apostle Islands, South Shore, and the flats east of Madeline Island. Inland lakes are fun to explore and fish all summer long.

FALL Fall is one of the best times to fish – the lakes are less crowded and fish start feeding well in preparation for winter. Stream fishing gets good for big, mature fish.

Come and give fishing in Bayfield County a try. You won't be disappointed!

HUNTING

There's over 430,000 acres of public access between National, County and State land. With a little scouting, this area offers an opportunity for all types of hunting. The forest management plan contributes to the habitat that provides excellent upland hunting for ruffed grouse and woodcock. Lake Superior is a big draw for migratory waterfowl, including many species of ducks and geese. Of course, you'll also find whitetail deer, turkey, bear and small game.

Bayfield County Lands & Water

Public Land approx. 50 percent
Chequamegon-Nicolet National Forest approx. 240,000 acres
Bayfield County Forest over 167,500 acres
State Lands over 20,000 acres
Apostle Islands National Lakeshore	... approx. 6,082 acres (Eagle, Raspberry, Sand & York Islands)
Lake Superior Shoreline	
Mainland 86.6 miles
Islands 18.5 miles (Eagle, Raspberry, Sand & York Islands)
Lakes 962 lakes, 22,629 acres
Forested Land 82.8 percent
Minimum Elevation 602 feet, Lake Superior
Maximum Elevation 1,700 feet, Mt. Telemark, Cable

Orchards & Farms

Bayfield, the Berry Capital of Wisconsin, is home to the largest raspberry producer and the largest organic blueberry farm in the state as well as offering the biggest variety of berries you'll find just about anywhere.

The Bayfield Apple Festival celebrates the culmination of the fall harvest season. Touted as one of the "Top 10 Festivals in North America" by the Society of American Travel Writers, this is a true festival in every sense of the word.

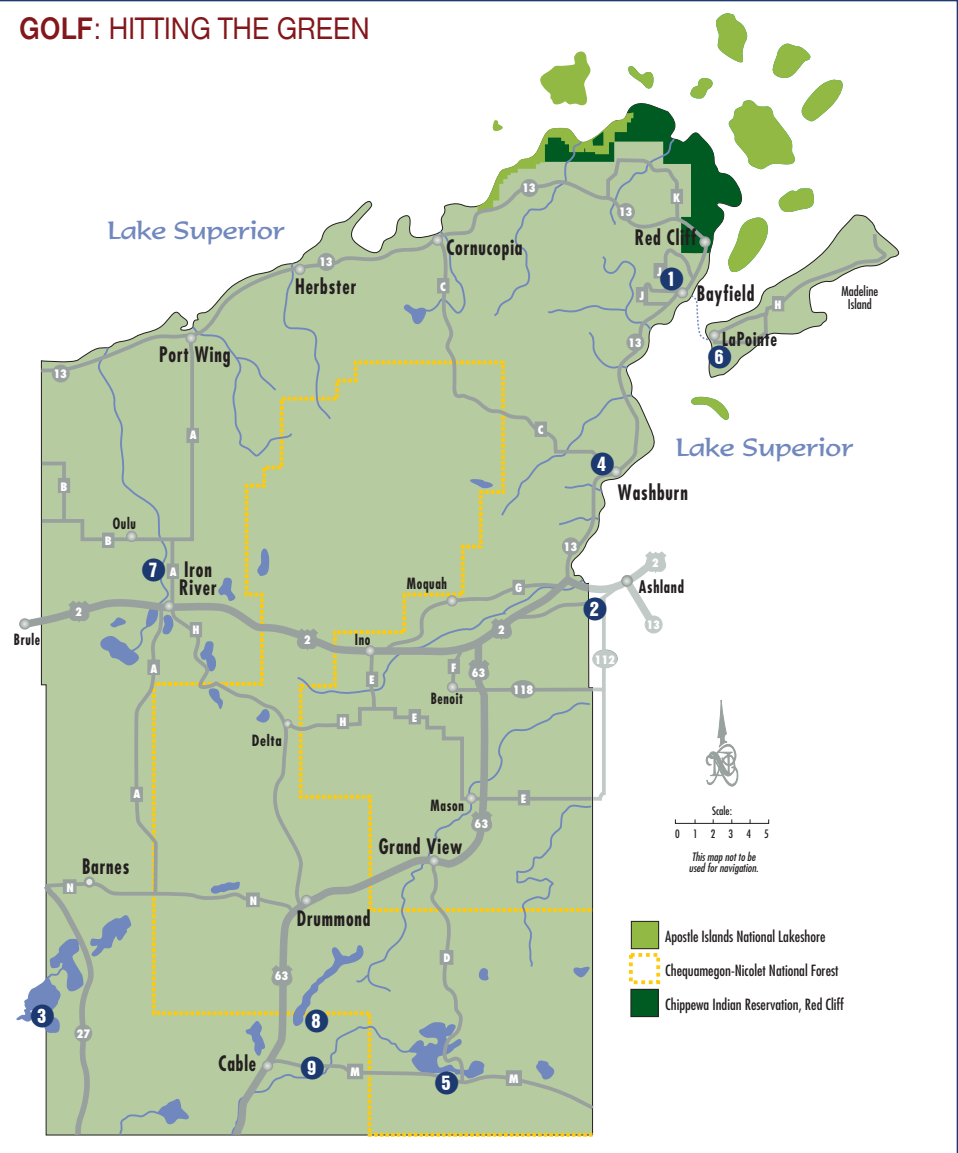

PLAN AHEAD - Strawberries: Mid June-mid July Raspberries: Early July-mid August Blueberries: Mid July-late August Apples: September-October

The Bayfield Peninsula

This is the destination that connects your mind, body and soul. The pace of life is interconnected with the rhythm of water, the sweep of sky, and the breathtaking scenery.

BAYFIELD

For some, Bayfield represents escape and solitude; a retreat from the hustle and bustle of everyday life. For others, it means adventure: hiking, boating, skiing, dog sledding or snowshoeing. As the gateway to the Apostle Islands, Bayfield is where the water meets the soul. Explore local historic sites and museums, discover artists working in their galleries and shops, or simply relax with a calming massage and a fantastic meal. Charming bed and breakfasts, inns, modern hotels, cabins or condos all invite relaxation and rejuvenation. Hop the ferry to Madeline Island or take an Apostle Islands Cruise aboard the “Island Princess” for spectacular shoreline views of the islands and lighthouses.

RED CLIFF

The reservation of the Red Cliff Band of Lake Superior Chippewa hugs the northern shoreline of the Bayfield Peninsula. The annual Pow-Wow is held on the first weekend of July and is an opportunity to enjoy Native American singers, dancers, drummers and craftspeople from around the Lake Superior region celebrating their cultural heritage. The Red Cliff Band proudly now offers a 78,000-square-foot resort on the shores of Lake Superior. Legendary Waters Resort & Casino opened in August 2011, and provides gaming, lodging, dining, shopping, a 47-slip marina and two campgrounds to visitors and local patrons alike.

WASHBURN

The largest community on the peninsula and the Bayfield County seat, Washburn is nestled along the shoreline of Chequamegon Bay. The community is known for its collection of beautiful, historic brownstone buildings which have inspired the “Brownstone Summerfest” in July of each year. *(continued on next page)*

Explore Bayfield County’s BAYFIELD PENINSULA!

PHOTOS: (above) Fishing Pier in Bayfield (top to bottom) View of the Bay from Bayfield Hills, Red Cliff Annual Pow Wow, Washburn Cultural Center (bottom L to R) Bayfield Commercial Fishing Boats, Fun on the Beach, Stagenorth Theater in Washburn, the Point-to-LaPointe Swim between Bayfield and Madeline Island, Applefest Parade in Bayfield, Winter Fun at the Ice Caves, Washburn Library

WASHBURN *(continued)*
 The Washburn Historical Museum and Cultural Center features a permanent museum and gallery where rotating art shows feature local and national talent year around. Many artists call Washburn home, and you’ll find galleries that also offer art classes! Stagenorth Theater is headquartered in a modern 148-seat facility that offers locally-produced plays, concerts, lectures, and films. A lakefront walking trail stretches along the Lake Superior shoreline from West End Park to Memorial Park.

Don't miss these BAYFIELD PENINSULA Events!

The South Shore

The small, picturesque villages of Port Wing, Herbster and Cornucopia hug the shoreline along Bayfield County's northern boundary. Lake Superior's panoramic majesty stretches as far as the eye can see from the sand beaches and harbors of these communities located along Hwy 13.

PORT WING

The small community of Port Wing offers up big vacation opportunities. Two historic churches and a restored saloon serve as art galleries in the center of the village. School Memorial Park is adjacent to the Port Wing Heritage Hall. This newly-constructed museum focuses on the commercial fishing and logging history of the area. Quarry Point and the Big Pete Boreal protected areas invite exploration. Twin Falls Park provides picnic tables and is an easy hike to Twin Falls. Buy some locally-caught Lake Superior fish or dine at a local eatery. A highlight is the very popular annual Labor Day Fish Boil and Fall Festival.

HERBSTER

Spanning over six miles from the tip of Lake Superior's Bark Point to the Chequamegon-Nicolet National Forest, Herbster is filled with wonderful natural resources year 'round. The Bark River and Cranberry River are both Class A trout streams. Bark Bay is internationally recognized by birding enthusiasts where heron, geese, ducks, eagles, sandhill cranes, and many smaller species are often seen. Grab some crisp apples from the orchard to enjoy on a ride along the Lake Superior shore to view the breathtaking fall foliage. Stop to see "The Gym", a historic log building completed in 1940. RV and tent camping is available on the Lake Superior sand beach in the municipal campground or stay at a local motel with easy access to gas and groceries. After the snows arrive, dog sledding, snowshoeing, cross country skiing, snowmobiling, and ice fishing are favorite activities.

CORNUCOPIA

The quaint village of Cornucopia is the western entrance to the Apostle Islands National Lakeshore. Meyers Beach, just east of the village, is a launching point for kayaking to the famous sea caves and the trailhead for the hiking trail along the shore. In wintertime, the fabulous ice caves attract hikers, snowshoers, cross country skiers and photographers. Step back in time as you enter a thriving General Store that *(continued on next page)*

Invaders of Our Lakes *Clean Your Boats... Save A Lake!*

Eurasian Watermilfoil, or EWM, has taken over most of Wisconsin's southern lakes, and is now threatening to cause irreparable damage to the lakes up here in the north. And here's the worst part: humans are unknowingly the primary culprits to blame for its spread. Latching onto boats and trailers as they enter and leave lakes, tiny segments of this plant hitchhike from one lake to another. Even out of the water, these tiny segments can stay alive for days, even weeks, before they are set free in the next lake. Once a lake is infested, there is no way to get rid of Eurasian milfoil!! So what can YOU do?

- **CAREFULLY INSPECT** your boat, trailer, and equipment and **REMOVE** visible aquatic plants, animals and mud. **DRAIN** water from livewells, bilge, motor, bait buckets and transom wells before entering/leaving a lake.
- **EMPTY** bait buckets into the trash.
- **DRY** the boat and equipment for at least five days before transferring to a new lake.
- If drying isn't possible, **RINSE** boat, tackle, downriggers and trailers with hot (above 104° F) and/or **SPRAY** with high-pressure water.

Sea Kayakers!

Heading to the Apostle Islands
National Lakeshore?

Before you leave shore, check SeaCavesWatch.org for current wave heights, water temperature & other conditions at the Mainland Sea Caves. Remember, waves can be much larger at the caves than at Meyers Beach. Paddle Safely!

Central Bayfield County

Located in the heart of the Chequamegon-Nicolet National Forest and home to the Iron River National Fish Hatchery, Central Bayfield County is surrounded by forests, lakes and streams of incomparable beauty and solitude. Stay and play for a while at a resort, a quiet cabin in the woods, or a scenic campground.

IRON RIVER

Iron River calls itself the “Blueberry Capital of the World” and celebrates it annually with a delectable festival the fourth weekend of July. These favor-packed little berries grow on low bushes along roadsides and throughout the Chequamegon-Nicolet National Forest – you’ll see them in season along the Moquah Auto Tour route. Another tasty option is a visit to the White Winter Winery where you can sample the award-winning honey-based mead wines made from locally-produced fruit and honey. History buffs should make sure to visit the Western Bayfield County Museum (1 block south of Hwy 2 on Main Street) which has photos, exhibits and artifacts from early life in the area.

Iron River is surrounded by over 96 lakes, and 12 trout streams are moments away. The Pike Chain of Lakes offers a lake experience not to be beat. Over 500 miles of ATV and snowmobile trails open up the beauty of the forest that’s located around every bend. Prime fishing locations abound in this scenic area, along with numerous resorts and vacation homes to accommodate you during your stay. The North Country National Scenic Trail invites exploration through some of the most pristine forest lands in the state including the Rainbow Lake Wilderness Area and Inch Lake State Natural Area. When it’s time to take a break from nature, take a trip into town where you’ll find a delightful shopping district, restaurants, a bowling alley and more. There are several wi-fi hot spots so you can stay connected. For a fun artistic adventure, stop in at Oulu Glass for a look at glass being blown by hand at the studio.

Southern Bayfield County

Surrounded by the Chequamegon-Nicolet National Forest, there's lots to do for everyone in the family. Many events and activities – both competitive and recreational – take place throughout the year. After a day of fun, relax at one of our lakeside resorts. You're going to love it here!

CABLE / DRUMMOND / GRAND VIEW / NAMAKAGON

World-class events make their home in Cable. The American Birkebeiner Cross Country Ski Race attracts both international ski superstars and recreational skiers from throughout the United States and many foreign countries. All winter long, the “Birkie Trail” is a fantastic ski destination. Multiple locations allow access to Bayfield County's incredible snowmobile trail system. In summer, the Chequamegon Fat Tire Festival is the nation's largest mass start off-road mountain bike event. No wonder Cable is one of only 30 towns across American named a “Trail Town USA.”

Cable also boasts the newly constructed, \$1.8-million Cable Natural History Museum that offers mounted native wildlife and nature displays, programs, field trips and workshops year around. Lake resorts, restaurants and gift shops add to the charm of the area.

Drummond and Grand View offer fantastic trails and great fishing with wilderness areas close by. Grand View hosts another world-class event – the Firehouse 50. The Drummond Historical Museum gives you a chance to go back in time – the old photos and logging artifacts on display give you a real sense of what it was like to live here in the late 1800's during the logging era.

The sister lakes of Lake Owen and Lake Namakagon are located just north and east of Cable. Premiere resorts, cabins and lodges rim the shoreline of the lakes. Some of the best muskie, northern and walleye fishing in the state is found on these lakes. Come and try your luck!

BARNES / EAU CLAIRE LAKES

Hop in a boat, canoe or kayak and head for the 3,200 acres of connected lakes that make up the Barnes/Eau Claire Lakes chain. The last hand-operated locks in the state are located between Middle and Lower Eau Claire lakes.

Don't miss these SOUTHERN BAYFIELD COUNTY Events!
